Class Access with Memberships

With any of the membership tiers you can access in-person and live-stream classes. Memberships are not valid for workshops, celebrations, or special/holiday classes, but discounts are given for many of these events, depending on your Membership Tier.. Membership tiers do not apply to the pre-recorded class library, which has its own unique pricing structure.

Auto Payment & Membership Duration

Membership Tiers are automatically debited from your credit or debit card monthly on the day that you begin your contract. You must agree to 4, 5 or 6 months of auto-pay, according to the Tier level you sign up for.

Cancellation Policy

No cancellations or refunds will be given for cancellation prior to the 4, 5 or 6-month period, and if you cancel early, we regret that you will be charged for the remainder of the 4, 5 or 6- month period. We cannot give refunds or prorate unused time on memberships, and we are unable to give extensions.

All cancellations require, in writing, a full 30 days notice sent to connect@theBYMC.com and refunds are not possible if cancellations come after this timeframe. For example, if your monthly auto-pay goes through on December 7th and you need to cancel for the month of December, you must email us before November 7th to avoid being charged on December 7th.

Suspensions & Up/Down-grading

You may suspend your membership once per year for any reason, for a minimum of two weeks and a maximum of three months, for a small fee of \$10. Indefinite suspensions are not possible; you must choose a reactivation date or cancel your membership. There is a \$10 fee for suspending or downgrading memberships to a lower tier. There is no fee to upgrade!
